

# EPSE 590: Graduating Seminar Statement of Focus Worksheet

---

Student's Name: \_\_\_\_\_

Area of Concentration: \_\_\_\_\_

Academic Advisor: \_\_\_\_\_

*Instructions:* It may be difficult at the beginning of your program to imagine the day when you will graduate, but that day will come! To make the most of your graduate courses, it is important to think carefully now about your educational goals. As you begin to plan your graduate program, please consider these goals. Of course, you may revise or change your goals as you move through the program and narrow your focus based on your own learning.
