Have you ever applied for admission to the Counselling Psychology Program: **Yes** ___ **No** ___
 If **Yes**, State the Year (most recent) _____

1. **Academic degrees** earned:

Degree	Date conferred	Major	Institution

1. (a) Do you have a teaching certificate: **Yes** ___ **No** ___
 (b) Please check if you are: First Nations Visible Minorities
 Persons with a disabling condition International student

2. **Degree sought** from Counselling Psychology: M.A. _____ M.Ed. _____

3. **Program.** The Department offers accredited counselling psychology programs in three areas at the masters level. These programs are listed below (a, b, and c). In each program you will have the opportunity for focusing on an area of interest. For example, in school counselling, courses are offered both elementary and secondary school counselling. Select your first, second, and third (1, 2, 3) choice by putting the appropriate number in the box beside the program.

M.A./M.Ed. Programs in Counselling Psychology	Choice
a. School Counselling	
b. Higher Education Counselling	
c. Community & Agency Counselling	

Please, take note of the fact that you must have a teaching degree or position to do an elementary school counselling clinic and practicum. It is preferable to have a high school teaching background for the secondary area.

4. **Proposed Starting Date:** (Summer Session) May _____ or July _____ September (Winter session) _____

5. **Proposed Time Schedules** (check one)

Schedule	Time	Choice
Full-time	To complete a master's program in the shortest period, you must begin the program in July (maximum of 5 academic years)	
Part-time	Start in July or September (maximum of 5 years)	

Note: Students in all areas of focus of the program except elementary school and secondary school/adolescent counselling must be available for daytime courses at some point during their program of studies. Programs must be completed in a maximum of five years.

Comments or clarifications (by the applicant to the Department Selection Committee)

6. **Prerequisite courses** completed or their equivalents (fill-in the chart below).

The following prerequisite course areas must be completed at the senior undergraduate level in preparation for entry to the Master's program. Where equivalency is being sought, please supply a course outline, calendar listing, and any additional information that may be helpful. Courses must be equivalent to a minimum of 3 UBC credits with equivalency being assessed by admissions personnel.

Please note: If you have been granted equivalency for courses, please attach a copy of the email of approval.

Courses required for both the M.A. and M.Ed.
