

Typical ECPS Graduate Course Schedule

To assist students prepare their learning path, we have laid out the typical ECPS course offerings by level (undergraduate and graduate) and by term (Winter 1 and 2, Summer 1 and 2). Please be aware that the ECPS course schedule is subject to change. Please verify with the UBC calendar if the course you are interested in is offered. As well, you will need to check if the course you are interested in has any pre-requisites or registration restrictions.

Note: Some courses run over two terms (e.g., starts in Winter 1 and completes at the end of Winter 2), if this is the case, it is noted as “BOTH terms W1 and W2”). If, on the other hand, the same course has different sections in more than one term (e.g., a section runs in Winter 1 and ends before the start of Winter 2 and a completely new section runs during Winter 2), each course offering will be listed in each term of offering.
